BECOME A RAVENSWOOD FAMILY HEALTH NETWORK BOARD DIRECTOR!

Service to the Community - Pride in Leadership

Mission Statement of the RFHN

“To improve the health of the community by providing culturally sensitive, integrated primary and preventative health care to all, regardless of ability to pay or immigration status, and collaborating with community partners to address the social determinants of health.”

Vision Statement

Educated, engaged and empowered patients actively managing their health and becoming advocates for healthy living within their family and the community, inspiring others to value that good health is true wealth.

Core Values:

1. High Quality Health Care.
2. Dignity and Respect for All.
3. Empowering Patients to Value Good Health.
4. Easy Access to Care.
5. Strong and Permanent Ties with our Community

Operating Principles of the Board of Directors

- Teamwork
  - Supporting each other
  - Seeing a need and filling it
- Listening
  - Being patient with others
  - Hearing what others have to say
- Working Together
  - Serving all in our diverse community without favoritism toward some
- Self-Education
  - Learning all that we can in order to do the best that we can
- Self-Responsibility
- Attending meetings and coming prepared

  - Sensitivity
    - Being sensitive to individual board members with special needs
    - Being sensitive to the health of the board as a group

  - Trust
    - Building trust to be culturally honest
    - Balancing what to say with the impact that it may have on others
    - Being willing to hear from others

  - Loyalty
    - Giving first loyalty to the clinic

  - Composition
    - Being inclusive of all voices in the community
