

Join MyChart here

1. Call the clinic at 650-330-7400 and ask about enrolling in MyChart
2. You will be sent either a text or an email with a link to enroll.

3. Click on the link, which will open up a new window. Create a username, password, and enter your date of birth. *The username should include letters and numbers or can just be your email. Username may consist of a-z, 0-9, and . _ or @. For the password, also use letters and numbers, along with at least one capital letter. The password must be at least eight characters.*

A screenshot of a web browser showing the "MyChart Signup" form. The browser address bar shows "mychartel.com/secure/mychart". The form has three main sections: "Username" with a text input field; "Create Password" with a text input field and a "SHOW" button to its right; and "Date of Birth" with three separate input fields labeled "mm", "dd", and "yyy". The phone's status bar at the top shows the time as 22:36.

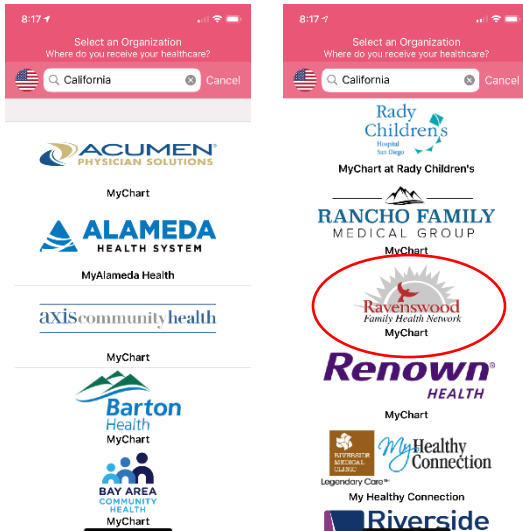

- The next page should say you are successfully signed up for MyChart. To log in to your MyChart on a desktop, go to <https://mychart.ochin.org/mychartrfhc/Authentication/Login>. If on a mobile device, follow the next steps to set up the MyChart app on your device.

- Download the MyChart app.

- Once the app is downloaded, open it and scroll down to select Ravenswood Family Health Network as your organization. *Make sure your location is marked as California.*

- You will then be on the Ravenswood Family Health Network login page. Enter your username and password to login, where you should see your home page.
